## Team Development

Want to engage, motivate and grow your team so everyone understands their role and what's expected of them, meaning they can work together more effectively? Our tailored team development programmes will support, encourage and challenge you to:

- Understand your team's strengths, motivations and development areas
- Ensure team members know what's expected of them
- Put useful processes and systems in place
- Create a shared vision and common purpose
- Facilitate regular and successful communications

"Maggie held a number of team building sessions with us, which were successful and well received. Maggie has a wide range of skills and is able to build very positive relationships with people."

PH, Losberger De Boer

### What's involved?

At our initial discussion, we will talk through what you want to achieve. Then we will put together a bespoke programme of activities to address your team's specific needs.

The sessions are engaging, practical and results focused. They are delivered online via Zoom or face to face – depending on your location and preference.
